

## SPECIAL TERMS AND CONDITIONS OF SALE

**POSTAGE/CARRIAGE:** For any delivery in France, postage/carriage is free for any order of an amount in excess of € 2000 net, excluding taxes. For any delivery in France below € 2000, postage is invoiced inclusively at 3% of the net amount, excluding taxes, with a minimum of € 50.

Nevertheless, special consignments (EXPRESS parcels, etc.) shall be invoiced extra.

**MINIMUM ORDER:** Orders of an amount less than € 300, excluding taxes, or € 600 for electromechanical relays, shall not be accepted. If we are sent an order that does not fulfil this condition, our Company shall invoice said minimum amount.

**SPECIAL MANUFACTURING:** For orders that entail special costs for design and manufacturing, we reserve the right to demand a payment on account, where the amount and due dates shall be specified either at the time of our offer or in our acknowledgement of order. In case an order is cancelled, our company shall be entitled to acquire these payments on account.

**PACKAGING:** Cardboard and wooden crate packaging cannot be taken back in any case. Our containers that we lease must be returned to us within eight days of the parcel's arrival at destination. In the event of a time limit overrun, we are entitled to claim daily indemnities for immobilisation.

**FACTORY TESTING AND ACCEPTANCE:** Our goods shall be accepted in our factories only upon the Buyer's express request and in accordance with the terms and conditions agreed at the time of the order. The Buyer shall bear the relevant costs and expenses and, in particular, acceptance inspector's fees and report costs.

**CLAIM AND RECOVERY OF GOODS:** Products made further to the Customer's specifications shall be taken back only with the consent of our sales department. The recovery price may not exceed 35% of the invoiced price. For standard products and in order to take account of any costs of repair or cost of inspection and of checking the calibration of equipment, the recovery price shall, at best, amount to 60% of the price invoiced for the new equipment.

**ORDER CANCELLATION:** If the cancellation was notified and accepted by the Company prior to the launch of manufacturing, the amount of special supplies, costs for design and management shall be invoiced on the basis of 35% of the price of articles cancelled, with a minimum of € 300, per order, excluding taxes.
